# Summer newsletter

smartowls.wordpress.com or email smartowlsch@gmail.com

It seems amazing that I am writing the summer newsletter again, the last twelve months have passed so quickly.

I want to take the opportunity to thank everyone who has supported me since the launch of Smart Owls last April. I have had a fabulous year with both seeing the excellent progress from the children I tutor each week to meeting many children and parents at the different workshops I have held.

Below are a few photographs of the various activities that have taken place this year and on the next page are details of the workshops I will be holding in Autumn/ Winter time. If you would like to book your child a place please complete the application form on the website or email me.

I wish everyone a wonderful summer (and fingers crossed the sun will appear) and I look forward to many more learning opportunities next year.

Best wishes  
Karen
